## Content Creation and Marketing using Adobe Express - Exam Tutorial

## Question Section Navigation

The questions in this section are presented using standard and interactive question types. Read the instructions carefully. The questions have controls at the top and bottom of the page that allow you to progress through the section. The following image shows these controls:

1. Identifies the question you are completing and the total number of questions in this section. Monitoring your progress using these numbers will help you ensure that you have enough time to complete all questions on the exam.
2. Reports how much time you have remaining to complete the exam. Time is shown in hours:minutes:seconds.
3. Select the **Reset Question** button to reset all selections on the question. For example, in a Matching item like the one shown above, clicking **Reset Question** returns all options to the list on the left.
4. Move the horizontal splitter bar to change the percentage of the screen height used to display the question versus the answer area.
5. Move the vertical splitter bar to change the percentage of the screen width used to display the options versus the answer area.
6. Select the **Back** button to return to the previous question. Your response will be saved when you click Back.
7. Select the **Help** button to display help for the specific type of question.
8. Check **Mark for Review** if you want to remember to return to this question from the Section Summary page.
9. Check **Leave Feedback** if you want to remember to leave feedback on this question.
10. Use the **Summary** button to view the list of all items in this section. You can return to any item from the Section Summary screen to continue your work on that item. You can also exit this section of the exam from the Section Summary screen.
11. Click **Next** to save your response and proceed to the next question.
